“Jason has fully settled into the role of Job Captain/Project Manager, producing entire sets of Architectural drawings, conducting multi-consultant coordination and performing all tasks required during Construction Administration”

~ Michael Yopp, AIA

“Jason’s skills in 3-D modeling and rendering are the best I have ever seen. We have relied on his abilities to model a building and render them in photo-realistic form”

~ Michael Yopp, AIA

“His proficiency in Photoshop, Illustrator, SketchUp and other graphic programs is at the highest level and the documents he has produced are always well received by our Clients”

~ Michael Yopp, AIA

“Jason is highly motivated and demonstrates the ability to work independently, with creativity and enthusiasm. He is a hard working self-starter who invariably understands each task and how to best get it done.”

~ Paul Geldbach
